

## GIRL IN PARIS, LLC

Started in 2006 by Julie Dreier, Girl In Paris Creative Studio specializes in Web Design & Development, Graphic Design and Digital Marketing for small to mid-sized businesses and organizations with an internationally acclaimed team. Our extensive experience in the UX/UI field gives us a unique perspective on and understanding of the challenges companies face in seeking to grow and improve their online presentation in today's market.

## DESIGN PHILOSOPHY

Girl In Paris Creative Studio focuses on Website Development and Digital Marketing that creates solutions to specific business problems putting your new website to use as an integral extension of your company's operations and marketing strategies. Our goal is for your website and presentation material to become your most prized business assets. We believe that a professional, high-quality site represents both your company and ours, therefore our team is dedicated to providing a comprehensive service that generates useful traffic and sees results.

*"Exceptional Professional Service! Our firm has used Girl in Paris Creative Studio for several years now and have consistently received exceptional professional service. We have contracted with Girl in Paris to perform various services including, custom graphic design work, creation of a customized CRM database platform, creation of our dynamic and high impact corporate website, extensive forms management services and ongoing week to week maintenance of our corporate Internet based infrastructure. As a nationwide financial services industry firm, maintaining a superior online image has greatly enhanced our productivity and marketing by having a high quality, consumer oriented and professional web presence that gives each and every potential and current client the assurance that they are working with an industry leader in our niche financial services market. I sincerely and strongly encourage any business or corporate executive looking to take their business to the next professional level within their respective industry to use the multitude of professional services offered by Girl in Paris Creative Studio."*
